At Summer camp, Scouts learn skills not to be forgotten and create life-long memories. At Marin Sierra, we believe it is equally important for a Scout to earn a merit badge, try a new experience, or sit and eat an ice cream with a friend.

For over 7 decades, Camp Marin-Sierra has offered Scouts and leaders a wonderful outdoor experience. Whether swimming in crystal-clear Chubb Lake, improving your marksmanship at one of the many ranges, learning new Scout skills in Trail-to-First Class, or traversing the high events in COPE, we are confident your Scout youth and adults will have an excellent week here.

The 320-acre property is nestled among the pines at an elevation of 5,400 ft, surrounded by the scenic Tahoe National Forest. Its easy highway access and natural environment attract troops every year from all over California, Nevada, and beyond! With fifteen beautiful campsites, there is one to suit troops of many different sizes. Chubb Lake offers 20 acres for a wide variety of aquatic activities including sailing, kayaking, canoeing, rowing, swimming, and snorkeling. Rolling granite hills provide fantastic views, excellent hiking, and exciting climbing and

rappelling opportunities.

Our youth camp operations and programs are fully-accredited by Scouting America and

Nevada County each year. Marin-Sierra offers programs for all ages. There is Trail-to-First Class and appropriate merit badges for new Scouts, with over 55 merit badges offered to fit everyone, campwide activities for all ages, plus older Scout programs such as climbing, sailing, and Trail-to-Eagle merit badges and adult leader trainings.

Not only are there great programs, but the staff is trained to help and serve in any way they can. According to those who attend camp, our food is repeatedly lauded as the best they have experienced. We offer both central-dining (most meals at commissary) and jamboree-style cooking by patrols (most meals prepared in

your campsite with food delivered to you). Opportunities are given for troops to interact with each other as well as to have some time alone to themselves.

We invite you to join us for a week at Marin-Sierra if you have never camped with us before, or return again if it has

been awhile since you have attended. We know that you will enjoy your stay and that our camping program fits the needs of your Scouts and leaders and fulfills the mission of your troop to have a quality Summer Camp experience in the outdoors.

There is no place like camp for Scouts to bond with their troop and make enduring friendships.
