

# BILL BRADBURY FAMILY FUND

We are saddened by the tragic loss of Bill Bradbury—our Tamarancho camp ranger and our friend. He passed away doing something he loved for a camp and program he loved. His loss leaves us all with a hole in our hearts as we grieve alongside his wife and two children.

Since many of our Marin Council families have asked how they can help Bill's family, we have created a Bill Bradbury Family Fund at the Marin Council, through which we can accept donations that will directly benefit his family.

If you would like to make a donation, please complete the following:
