

FAMILY FIESTA REGISTRATION: MAY 16-18, 2014 "Space Wrecked"

A Cub Scout Family Camping Event Held at Camp Tamarancho

INFORMATION

What is Family Fiesta? Family Fiesta is a family camping experience for Tiger Cubs, Cub Scouts, Webelos, and their families. This camp will introduce the Cub Scout and his family to some of the activities that can be experienced in our summer day camp programs. Just like at camp, events and activities are run by Boy Scout troops and Venturing crews. The Cub Scouts will get an opportunity to meet the summer day camp staff and older scouts, and as an added bonus get an idea of all the fun and exciting things that await them when they become Boy Scouts or Venturers.

Theme and Activities "Come in Space Family Robinson, come in . . ." Your Cub Scout family was in route to the Mars space complex when your ship was hit by an ion particle storm, throwing it 200 light years of course, and leaving you marooned on an alien world. This year's Family Fiesta will provide an opportunity for scouts, siblings, and parents to learn, and practice intergalactic Scout skills, crafts, and values—and maybe meet a few aliens along the way. Marin Council Boy Scouts and Venturers will lead campers in event ranging from field sports, rocketry, nature hikes, shooting sports, techno crafts, and interplanetary homesteading. The day will close with a campfire lead by your New World hosts.

Fees and Registration Registration is by family—not by pack. The fee is \$15 per person age 5 and older. <u>This price does not include food</u>. There are meal options available as shown in the registration section and meal ticket sign-up deadline is May 10, 2014—after this date no meal tickets are available. <u>Some Packs provide their own meals while others do not</u>. Please check with your Pack as to what their food plans will be for the weekend. If you plan on purchasing meal tickets with your registration we must have this information no later than midnight May 10, 2014—no exceptions. We have to plan, shop and "be prepared" to serve. <u>Saturday walk-ins will be accommodated but access to archery and BB ranges will be on an "as available" basis.</u>

Medical Forms Part A and B health form is needed for <u>all</u> family members attending this event. Please make sure all boxes are checked and form is signed and dated. Your Family Fiesta registration will not be considered complete if forms are missing or incomplete NO EXCEPTIONS. No Physician signature is required. A copy of the necessary health forms are attached to this document.

Check-in and Parking Check-in will be from 7pm to 9:30pm Friday night and resume at 7:30am Saturday morning with program beginning promptly at 9am on Saturday and running to 12pm Sunday. Campsite space is limited so please get your reservations in early. No reservations for specific campsites will be accepted. We will assign you a campsite and make sure that Pack members are assigned to the same site. When you check in, the staff will give you an informational packet and tell you what campsite you will be in. Only two campsites have on-site parking so be prepared to back your vehicle into our main parking lot and have your equipment & gear transported to the campsite by one of our staff members. Parking is limited. If you are able, plan to carpool with another family from your Pack. Camp service roads are restricted to authorized camp vehicles only. All camp roads have a strictly enforced speed limit of 5 mph. No passenger transport in truck beds allowed.

Camping Bring your own camping equipment as none will be provided. If you plan to cook bring a propane stove or grill as well as secure food storage containers as we do have critters that would enjoy people food but shouldn't have it. All campsites have potable water, picnic tables, and a few have brick fire pits. Vault toilets are nearby. If your Pack is camping with other units please "do your best" and share the facilities.

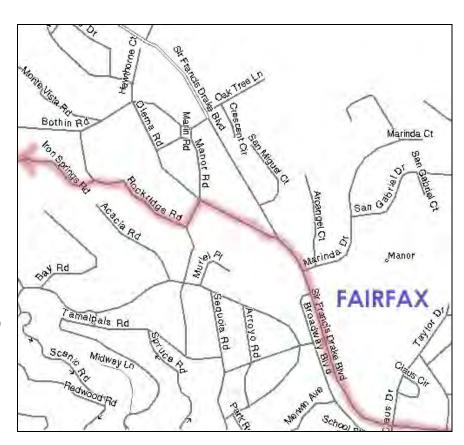

What else to Bring to Camp Scout uniform for assemblies, meals, and flags. A hat for the sun, or maybe the rain, warm outerwear, comfortable hiking shoes (please—no open-toed shoes), toiletries, and all the other comfortable clothes you need for a weekend camping.

What Not to Bring to Camp NO alcohol, pets, drugs, fireworks, knives, bicycles, or shooting-sports equipment. We don't want to confiscate these items and/or expel your family from camp. Smoking is only permitted in the parking lots. Expensive items should be left at home. Keep cell phone use to a minimum, remember this is Family Camp and a time to relax and enjoy the beautiful surroundings.

Refund Policy Refunds must be requested in writing and received by the council office prior to the above date of May 10, 2014. Fees will not be prorated due to weather, for those who start late on Saturday or leave before the program is finished on Sunday.
