

Allow Us to Introduce Ourselves

The 2018 Camp Marin Sierra Management Team

Tim Wells—*Camp Director*

I have worked for the BSA and Marin Council since November 2005, and this will be my twelfth year as camp director. From 1993–2005, I was heavily involved as a volunteer, not only in Cubs, Boy Scouts, and Venturing with my son and daughter, but also at the council level with Cub Scout and Boy Scout camping, marketing, training, and as an aquatics director. On the regional level, I have been a trainer at fifteen or so Cub Scout and Boy Scout National Camping Schools. After sending my own children to work at camp for many years, being able to be at Camp Marin Sierra myself is a dream come true. Working with the outstanding staff and troops that attend each year has been a wonderful privilege. My goal for the summer is to ensure troops have all the resources they need to successfully run their troop program for the week they are in camp. My favorite snack is Triscuits, salami, and cheese.

AJ Quilty—*Program Director*

This will be my ninth summer working at Camp Marin Sierra. I have been the director of Trail to First Class and the Trading Post, have worked in the kitchen for two years, been the Cooking merit badge counselor, and an assistant commissioner. This will be my second year as program director as well as my second year on the management team. I have been an Eagle Scout since July of 2006, and I love to pass on knowledge, and watch Scouts experience the outdoors. My goal this year is to make a fun, safe, and memorable experience for all Scouts, leaders, and staff. Camp Marin Sierra 2018 here we go! I do love me some Doritos.

Walter Trygstad—*Commissioner*

This will be my third year working at Camp Marin Sierra. For the last two years, I was the Trail to First Class director. I am excited to work with all of you as the commissioner. My goal for this summer is for the troops to have an environment that they can thrive in. I am an Eagle Scout from Davis Troop 111 and a Vigil

Honor member of Amangi Nacha Lodge. Currently, I am studying Industrial Engineering at Cal Poly San Luis Obispo. I also am part of the construction team for the Cal Poly Rose Float Program that builds a float for the Pasadena Tournament of Roses Parade. I have an affinity for dried fruit and peanut butter pretzel bites.

Jaymee Liles—*Food Services Director*

I'm happy to return for my third summer working at Camp Marin Sierra. I've been working in food services for about 6 years now. Before coming to the Marin Council Boy Scouts, I worked for the Girl Scouts of Northern California. It was after working in the kitchen here at Marin Sierra that it became clear to me that cooking was something I wanted to pursue on a professional level. This year, I am proudly returning as the food service director. I am excited to really challenge myself careerwise, but even more importantly, I am looking forward creating the lifelong memories and friendships that come along with camp. My goal is to make the food as delicious and unforgettable as possible. As a cook, my favorite "snack" is coffee, and I also have a weak spot for sour gummy worms.

Ashlyn Broomhead—*Business Manager*

After working two consecutive summers as the Archery director, I am excited to return to our Camp Marin Sierra family as the business manager for 2018! I was a Girl Scout for 13 years, a Venturer for 3 years, and I am currently a registered adult for both. Working with youth in the great outdoors and sharing my passion for knowledge is a privilege and opportunity I would not trade for anything. At home, I am a horseback riding instructor and multiple language learner. Currently, I am pursuing a degree in International Studies with a minor in Arabic. My goal is to help create an efficient and welcoming experience at Marin Sierra. I really, really love homemade pie!
