

## Archery Rangemaster

The council shooting sports committee will be conducting an archery rangemaster training in August. The purpose of the training is to qualify individuals to assist with managing those ranges in support of Cub Scouting in Marin. All the Cub Scout events

and activities that the council operates (such as Family Fiesta, Tiger Cub Expedition, Cub Scout Turkey and Bunny Shoots, etc.) require volunteers to run the ranges. The archery training will also qualify someone to run a range for Boy Scouts and Venturers.

Upon completion, participants will receive a pocket certificate, which is valid for 2 years. Once trained, rangemasters are asked to volunteer at least 8 hours a year to staff the archery range.

*Just think how excited and proud your Scout will be to see his parent leading a range!*
