

WOOD BADGE is the highest level leadership training program offered by the Boy Scouts of America for adult volunteers involved in all levels of Scouting (Cub Scouts, Scouts BSA, Exploring, Sea Scouts, Venturing, and district and council positions).

The first Wood Badge course was presented in 1919 in England. It is the only adult leadership training program that is offered by every scouting organization around the world, though it varies by country and region. Upon completing the course, you will join thousands of other leaders around the world who have received the same beads, neckerchief and woggle, and who are similarly dedicated to the values, mission and vision of Scouting.

ADULT LEADERSHIP TRAINING

CREATING THE FUTURE

NORTH COAST CLUSTER
Marin, Piedmont, Redwood Empire

CAMP TAMARANCHO, Fairfax, CA
September 6 – 8, 2019
September 28 – 30, 2019

COURSE DESIGN AND CONTENT:

Wood Badge consists of two parts. The first part is a six-day (two 3-day weekends) residential experience at a Scout Camp, where you learn and practice leadership skills in small and large groups. There are practical applications and it is a lot of fun. The leadership skills you learn are universal. In addition to helping you to become a better Scout leader, these skills will help you become more effective in your personal and professional life.

In the second part of Wood Badge, each participant uses leadership skills to complete five personal goals that they have created which will help their Scout unit. There is an 18-month deadline to complete the goals, though many finish in less than a year.

The Wood Badge course has been developed and refined over the decades. It is based on academic and corporate leadership training research, courses and programs. The content is comprised of proven knowledge, material and methods from established and respected authors, leaders and consultants in the field of leadership.

COST:

The fee for the course is \$255 if paid by check, \$263 if paid by credit card, prior to May 31, 2019. Thereafter, it is \$280 or \$288.50. All fees must be paid in full by August 6, 2019. If you are unable to attend and notify Piedmont Council in writing prior to August 6, 2019, any fees you have paid will be refunded. Fees pay for training materials, supplies, meals and snacks as well as a T-shirt and a hat for each participant. The fees are set as low as possible; each volunteer staff member pays a fee to serve on the course too. The overall financial goal for the course is to break even, it is not a fund-raiser. Considering that corporate leadership training with similar content typically costs more than \$15,000, Wood Badge is an incredible value and it's fun, too! Financial assistance may be available from your local council.

"The Wood Badge course ignited an enthusiasm for scouting in my heart that I hadn't felt before. It inspired me to make a candid assessment of myself and to consciously practice the Scout Oath and Law in my day to day activities. I'm a better adult leader because of it."
