

SCOUT CAMPER'S FAMILY INFORMATION GUIDE

Since 1950 the **Marin Council, BSA** has operated a Summer resident camp program at **Camp Marin-Sierra (CMS)** in scenic Emigrant Gap, located near the intersection of CA State Hwy 20 and US Interstate 80 just below the Inter-Continental rail line, and not far from Donner Pass and the Truckee/Lake Tahoe resort region. **CMS** is the only year-round Scout camp in the Sierra Nevada, and is a popular destination for Scouts BSA troops and Venturing BSA crews looking for high adventure among the tall pines and granite ledges characteristic of the Western Slope. We offer a wide-range of outdoor activities including a comprehensive Aquatics program along the waterfront around crystal-clear Chubb Lake, challenging COPE and Rock-climbing at developed sites near the camp perimeter as well as the Zipline and Giant Swing over the lake (returning in 2023), BSA Shooting Sports ranges (Archery, Tomahawk, Rifle & Black-Powder, and Shotgun), plus traditional HandyCrafts, Ecology/Conservation (Nature) and Outdoor Skills-building (Trail-to-First Class, ScoutCraft). Rugged dayhiking and backpacking treks are a bonus from our 5400 ft elevation, with easy access into the fantastic Yuba River canyon, Tahoe National Forest and Pacific Crest Trail. Following a year's hiatus during the CoViD pandemic, the 2021 Camp Staff successfully regenerated our many camp traditions and renowned customer service culture, and is excited to welcome your troop in July 2022 to our 72nd season of Scouts BSA Summer Resident Camp!

Welcome to Camp Marin-Sierra

We are excited that your troop has chosen Camp Marin-Sierra for their Summer Resident Camp program this year and look forward to their visit this July! For over 70 years, Camp Marin-Sierra has been offering Scout youth and their adult leaders a fantastic camping experience with adventure in the mountains.

Whether it be swimming in our warm lake, shooting at the ranges, learning new Scout skills, traversing granite ridges on a hike, or even just meeting new friends at the Tradin' Post or around the campfire, we are

confident your Scouts and leaders will have an excellent week away with us.

Our diverse Summer Camp programs and tidy operation is fully-accredited by the BSA National Camp Accreditation Standards Program every year, and includes something for everyone!

This private camp property covers 320 acres at an elevation around 5,400 feet. Its easy access

from Interstate Hwy 80, and natural setting on the Western slope of the Sierra Nevada attracts troops every year from all over California, Nevada, and beyond. With fourteen spacious,

forested campsites, there is more than one spot to fit troops of different sizes. Scenic Chubb Lake offers thirteen acres of calm, clear water and a wide variety of aquatic activities including small-boat sailing, kayaking, canoeing, paddleboarding, rowing, swimming, snorkeling and fishing. Large granite knolls and ridges provide fantastic views, excellent hiking, and exciting climbing/rappelling opportunities.

This guide will help you and your Scout prepare for a summer camp week away. Your troop leaders have been sent copies of our extensive Leader Guide so that they can also help prepare the Scouts and other leaders attending camp. If you need information that is not contained herein, your first line of inquiry should always be your own troop's leadership.

Camp Contact Procedures

Troop leaders are your main points of contact while the unit is at camp. Most leaders will have cell phones, which can be used for non-emergency communications. Please make sure you have their phone number before the Scouts leave for camp! On the following page, there is a sub-section with the Camp Marin-Sierra and Marin Council contact information (see **Where to Contact Us**).

For emergencies only, you can call the Camp Ranger's office, however this phone is not always staffed, and although checked frequently during the Summer, voicemail messages may not be retrieved immediately. Keep in mind that there may be as many as 400 people in camp at any one time, spread out over 250+ acres of the property. In an emergency, we endeavor to contact them as quickly as possible, however we may not be able to get a message to your youth/adult in a timely manner . . . in fact, it may take hours! Also, use the main Council office number sparingly as it is monitored only during regular weekday business hours.

The best way to get a message to your Scout is to call the cell phone of a troop leader. Non-Verizon phones work the best. You can also contact us via email to the Camp Director (mandrews@boyscouts-marin.org). We check email several times daily, and a printed copy of your email will be placed in the troop's mailbox.

If you desire to send letters or packages to your Scout, do not mail them after the Tuesday that your Scout is in camp; otherwise, it may not be received in time. Because there are so many people staying with us each week --- including the possibility of having more than one troop with the same troop number --- send it in the following address format (for US Mail only; send UPS/Fedex to the street address):

**{Name of Scout or Leader}
 {Council Name} and {Troop #}
 Camp Marin-Sierra
 PO Box 86
 Emigrant Gap, CA 95715**

If you send packages, please do not send food. There is plenty of quality-prepared food at all meals and a range of snack options available in the Tradin' Post. Because there are wild animals in camp, Scouts and leaders need to lock up their food in bear boxes at night.

Fees, Payments, and Refund Policy

All Summer Camp payments must be made through your troop, with the exception of provisional Scouts, visitors, and meal payments. Other than these exceptions, do not send your individual payments to our Council office; send payments to your troop leadership or treasurer. Provisional Scouts have their own application form to register (see our website link shown at left), and visitors will pay for their meals/stay at

the Marin-Sierra Camp Office when they arrive. Your troop can provide you with camp fees in advance.

Refund Policy: Please understand that fees paid for Scouts and leaders earlier in the year begin to be used to buy supplies and operating materials prior to Summer Camp. When someone decides not to come to camp, part of their money has already been utilized to prepare for the season. Refunds will be granted on the following basis according to when the request is submitted:

- Full refund before April 1, 2022;
- 50% refund April 1 through April 30, 2022;
- 25% refund May 1 through June 1, 2022;
- No refunds after June 1, 2022.

No full refunds will be granted after April 1, 2022 for any reason. Partial refunds may be granted after June 1, 2022 for extreme situations (serious illness, death in family, etc.).

Required Camp Forms

Along with your Summer Camp payments, your troop should be gathering all the completed forms for your Scout to attend camp. With the exception of the Special Dietary Needs form, do not send this paperwork to us directly, but copies should come to camp with your troop or provisional Scout for check-in.

Required forms are:

- ✓ **BSA Annual Health & Medical Record** copy (2019 edition only; Parts A, B, C reviewed and approved by a physician)
- ✓ **CMS Minor Activity Release** (permission signed by both parents/guardians)
- ✓ **Special Dietary Needs Form** copy (fax original to Council Office at least two weeks before the Scout/adult arrives in camp).

These forms can be obtained from your troop leaders or online at our Council website.

Medical Forms Policy

Everyone who camps overnight at Marin-Sierra must have their updated copy of the current 2019 edition of the BSA Annual Health & Medical Record, Parts A/B/C, which requires a review/approval signature from a doctor or nurse practitioner. The troop will bring these forms to camp with them. The only exception is someone who is visiting camp for the day; they only need Parts A & B of the form which does not require an approval signature by a medical professional but will be reviewed by our Camp Health Officer. Although we have an EMT/Medic on staff, Marin-Sierra is still a 30-min response time from the nearest Emergency Medical Services (EMS). Because of the remote nature of the camp location and the high altitude, we cannot make any exceptions to this policy. **Be Prepared!**

Visiting Marin-Sierra

Guests are always welcome during normal camp operations; however, it's best for the troop and the camp if people do not drop in unannounced. Although entire families may visit for a short time (*please, no pets are allowed*), there are no overnight accommodations for siblings or entire families.

On arrival, visitors must check-in at the Camp Office adjacent to the parking lot, sign-in and pay any related fees, and then visit the Camp Health Officer at the nearby Med Shack to receive a wrist band which is required to be

worn in camp. Visitors will submit their appropriate medical form at that time, assuming the form was not already brought up with the troop.

If possible, let your troop and the camp office know in advance when guest meals may be needed. The charge for visitors is \$8 per meal per person. For adults desiring to stay overnight, the charge is \$50 per person per night and includes three meals.

We ask leaders to show their guests to the Camp office and make them aware of how much to pay. Visitors spending the night must bring with them currently-updated Parts A/B/C of the BSA Annual Health & Medical form. Persons without medical forms cannot stay in camp for any duration other than dropping off or picking up their Scout(s).

Family Camping

Scouts BSA Summer resident camp is designed for the Scouts to attend under the leadership of their own troop. A parent who is a leader with the troop may attend with their Scout. However, the camp is not designed for siblings or the entire family. If a family visits camp (*see Visiting Camp*), there are no overnight accommodations for the complete family.

Cell Phones & Internet Service

Because of the remote location of Camp Marin-Sierra, we are not able to receive broadband internet service. The camp uses cell phones in our office to connect to the internet. If adults

need service, they should plan on tethering to their own cell phone hotspots. Mobile carrier services other than Verizon seem to work best.

For the convenience of LEADERS ONLY, there is an AT&T mobile WiFi unit in Ibach Lodge to use for catching up on email and light web-browsing. No video or ZOOM meeting streaming is allowed; we simply do not have the bandwidth. Leaders will be issued the ID and password upon request from the Camp Director only. Youth are strictly forbidden!

Your own troop may have policies about cell phone use; however, we ask troop leaders to not allow Scouts to use or even bring cell phones to camp. It is not that we do not wish boys to be able to communicate, but we are hoping for them to receive the maximum benefit from a genuine outdoor experience. Today, cell phones not only provide phone service, but also email, chat, text, gaming, and more. They can be more of a distraction than a Scout needs at camp. They can also exacerbate a homesickness problem to unmanageable proportions! Please work with us and your troop leaders to make sure your Scouts leave their cell phones at home.

Homesickness

An active program is the best insurance against homesickness, so Scout leaders are urged to do everything they can to keep all Scouts engaged. However, there are still times when younger Scouts get homesick. From experience, we have learned that the more Scouts call home, the worse the Scout is homesick, and the Scoutmaster allows a call home, please be supportive of them

staying and finishing the week. If the Scouts feel you want them to be successful at camp, they are more likely to want to finish the week. Also, often after a Scout gets through the first few days and has bonded more with the troop, they are more likely to feel better about staying.

A great way to help a Scout that you suspect may become homesick is to mail a short, positive note to them right away so that they receive it on Monday or Tuesday. However, remember that telling them how much you miss them or that you wish they were at home will only reinforce feelings of homesickness. A troop might not allow Scout use cell phones in camp. A troop leader must be (and remain) in attendance if the homesick Scout calls home.

Merit Badge Program Planning

Advancement is a key part of the Summer Camp experience. There are fantastic program opportunities which are often not available to Scouts outside of the camp setting. At Marin-Sierra we offer over 50 merit badge topics in diverse outdoor class settings to guarantee we have something of interest for any Scout. Please ensure that you review the Merit Badge offerings and camp schedules with your Scout and their Scoutmaster to devise a plan for your Scout to take advantage of the most appropriate program elements to ensure a successful week away!

Bringing Money to Camp

We have a Tradin' Post that operates Monday through Friday where Scouts can buy snack foods, souvenirs, personal items, shooting

sports tickets, and other merit badge supplies. We accept cash, major credit cards, and debit cards. If you send cash, \$40 should be plenty, but consult with your troop leaders to help decide what your Scouts might need for the week. It will depend on the kinds of advancement in which they will participate.

The leaders have been sent the Leader Guide, which has a sampling of Tradin' Post prices in Chapter 9. Please discourage your Scouts from bringing large amounts of cash. It is not uncommon for youth to lose money, and, unfortunately, it is not always recovered.

Personal Items to Bring

Scouts and adults should consult with the troop leadership on what to bring to camp. Often, troops have developed comprehensive lists of needed items so that Scouts have what they need without overpacking common patrol items. Also, the Boy Scout Handbook is an excellent resource. Be sure their name and troop number is on everything, and please remind your Scouts that maintaining personal hygiene away from home is important.
