

Code RED

First-Aid Meet

January 28, 2023 Saturday 9:00am - 3:00pm
 LDS Church of San Rafael, 220 North San Pedro Rd, San Rafael

i. Patrols Participate to Represent their Troops!

Join troops and crews from all around Marin to compete for victory at Code RED! Scouts will have the chance to practice their skills in life-like scenarios and demonstrations. Patrols will earn points for their teamwork, spirit, and first-aid expertise. The patrol with the most points at the end of the day will be the Code RED Champion!

Participants should wear their Troop field uniform during Code RED. Each participant should bring a water bottle and their lunch. Personal and Patrol first-aid kits are permitted (which may be a great troop meeting activity in January).

Each unit may register a maximum of two patrols. Code RED can only host a total of 14 patrols, so register while there's still space!

Register Today!

Registration closes at 12noon on January 16, 2023 to give all patrols time to prepare their skills!

[Click Here](#) to access the event registration page!

ii. A Few Staff Members are Needed to Assist from Each Troop!

You want an awesome event, right? Of course, we all do! Well, this is what needs to happen to make Code Red really great. Our goal is to have 12 troops put on one scenario each. How? Choose one member of your Troop to join the event staff and coordinate a small team to run a scenario. Simple. We'll provide makeup artists and more . . . you provide a few staff, creative first-aid problem and some props.

We need contact info for the lead Scout who will be joining our staff right away so we can plan ahead, and a general description of a scenario you'd like to run. Use the registration form to let us know who to contact or email all four contacts below. We'll need that information no later than midnight January 2, 2023.

Please contact this event leadership if you have any questions.
